Sandy City Citizen Corp Council

In 2002 President Bush created the Citizen Corp Council, as part of the USA Freedom Corps, to help America to become safer and more secure through citizen involvement in emergency preparedness and training. Citizen Corps coordinates volunteer activities and provides training and information for individuals to be better prepared to respond to an emergency. These activities include involvement in the five pillar programs of Citizen Corps:

- 1) Neighborhood Watch
- 2) CERT
- 3) Volunteers in Police Service
- 4) Fire Corps
- 5) Medical Reserve Corps

The Sandy City Citizen Corps Council meets the second Thursday of each month at 7 p.m. in City Hall. Sandy City encourages all citizens with an interest in emergency management or volunteer service to participate. For more information, call Ken Kraudy, the Sandy City Emergency Management Coordinator, at 568-7279.
